YAMATO

THE DRUMMERS OF JAPAN

A drummer in traditional Japanese attire, including a black and white kimono with a large yellow character '倭' (Yamato) on the back, is captured in a dynamic pose, striking a large, light-colored drum with two wooden sticks. The drummer is positioned in the center of the frame, with their back to the viewer. The drum is a large, circular, light-colored drum with a dark rim. In the background, a traditional Japanese building with a tiled roof is visible. The overall scene is set against a light, patterned background.
